

5-Day Action Plan

Five small actions to create a clearer online presence. This is an action plan, not a results guarantee.

Day 1 - Clarify

- Write one sentence describing who you help.
- Write one problem you can genuinely help with.
- Choose one simple next step you want visitors to take.

Day 2 - Clean Up Your Profile

- Use a clear photo or brand image.
- Update your bio.
- Check your main link.
- Make your contact method easy to find.

Day 3 - Publish Something Useful

- Share one helpful tip.
- Use plain language.
- End with one question or simple call to action.

Day 4 - Start Conversations

- Reply to comments.
- Answer genuine questions.
- Follow up with people who asked for more information.
- Do not pressure people to buy.

Day 5 - Review and Plan

- Note what people responded to.
- Save questions for future content.
- Choose three useful topics for next week.
- Keep what worked and remove what felt misleading or unnecessary.
